Dear Families!

Welcome to Kids Market 2024! We are so happy that your family has decided to participate this year.

Downtown Fayette (formerly Fayette Main Street) has been willing to support this project from the very beginning when the idea was presented to them in April 2021. We are so thankful for a volunteer board and group of Fayette citizens who are willing to support our community. You can learn more about this organization by visiting their website: www.downtownfayette.org

Kids Market was designed to provide kids with business experience and help them flex their skills in entrepreneurship, creativity, social skills, learning the value of money, and so much more. We also hope that it gives our kids wonderful memories of growing up in our little town. Investing in our youth is an investment in our community's future.

We want to offer families opportunities to experience the joy of knowing their neighbors, feeling supported and valuable, and working together to make our community better.

Once again, we are so excited to have you, and can't wait to see your kids grow through this experience.
